

2024 CSA DNA/Ultrasound Program

Replacement Heifer and Yearling Bull Ultrasound DNA Program

CSA is offering a rebate on replacement heifers and yearling bulls born in 2023 (L) that are ultrasound scanned and 100K DNA tested by the same member.

Completed ultrasound and 100K DNA results must be submitted to the CSA office by July 31, 2024.

CSA will credit \$27.50 per animal to active CSA member accounts by October 1, 2024.

For more information, contact the CSA office:
