## Commemorative Wine Set

### Order Form

**NOW AVAILABLE!** To celebrate our 40<sup>th</sup> year, we are offering a commemorative wine set to members of the Canadian Simmental Association.

Jost Vineyards is an award winning, 45 acre winery situated on the northern shores of Nova Scotia. Each set includes two 750 ml bottles of wine, one each of the following:

#### **2006 Ortega Chardonnay - Gold Medal winner at 2007 Taster's Guild International**

This limited edition white wine is a blend of these two Nova Scotia Grown Vitis vinifera varieties. It is a delicate, beautifully balanced, off-dry white wine with good body and length. The nose and flavour suggests citrus, apples and roses. It pairs well with poultry and seafood dishes.

#### **2003 Trilogy - Bronze Medal winner at 2007 Taster's Guild International**

This red wine is made from the best Baco Noir, Leon Millot and Marechal Foch grapes grown in Nova Scotia. Soft, ripe tannins support lengthy fresh berry fruit characters; aged in French oak barrels providing smoky black cherry and anise flavours. This wine has great aging potential and pairs well with fine cheeses and hearty red meat dishes.

These gift boxed sets, especially designed for the Canadian Simmental Association are available in limited quantities. To order, please fill out the information below and fax (902-257-2248) or mail to:
