Calgary, Alberta T2E 7C4

## IMPORTANT NOTES:

**OPTIONAL DATA** – All data is optional. In order to register an animal it is required to submit information such as name, colour, and horn status as required by the CSA by-laws and the Animal Pedigree Act. If you choose to submit information such as weaning weight, then it should be submitted on ALL animals. In order to be included in the weaning weight evaluation all animals must have weigh date, weight, creep weeks (if creep fed) and management group completed. Gussed weights are not appropriate.

To ensure accuracy of data entry and enhance the ability of staff to investigate breeder concerns, all forms will remain on file in the CSA office. Forms will not be returned. It is therefore strongly advised that you make photocopies of the completed forms for your records. Please review pre-printed information for accuracy and make any required corrections.

**In order for data to be included in CSA genetic EPD evaluations, it must be received by the CSA office no later than JUNE 1<sup>st</sup> for the Fall Evaluation and NOVEMBER 1<sup>st</sup> for the Spring Evaluation!!!**
