How to order your personalized Simmental RFID Tags:

Let’s get started:
All tag orders must be purchased through the Canadian Cattle Identification Agency (CCIA)
There are two ways to order your personalized Simmental RFID tags through CCIA, online or by phone:
*TIP- If you have never purchased tags directly from the CCIA webstore, it’s easier the first time to contact CCIA by phone (1-877-909-2333) and have them walk them through the process.

Log on to your CCIA/CLTS account

1. Select “Place an order”
2. The login page will appear, click Register – create your access codes link
3. Once your account is created a registration confirmation will be sent by email
4. Once you receive an email your CDMV account has been created and you are now able to place tag orders through the CCIA webstore which will appear on the right-hand corner of the page.

Approval Process
When your order has been placed, CDMV will send a verification email to the Canadian Simmental Association to provide proof that you are in good standing and meet the qualifications to receive the Simmental Tags.

Delivery
Once the CSA has approved the order, CDMV will then submit the tag order
Allow 3 to 5 business days to receive your tag order by mail
