

Summer Internship Program

The Canadian Simmental Association (CSA) is offering an exciting employment opportunity through a summer internship program that will provide the opportunity for an energetic and hard-working youth to gain exposure to the day-to-day operations of one of the leading and most progressive Canadian beef breed associations in Canada. The successful applicant will gain a full understanding of CSA activities. The time frame is flexible between April 15th 2025 and August 15 2025.

The successful applicant's responsibilities will cover the spectrum of CSA programs with a focus on:

- * Canadian Simmental Association Legacy Project
- * Development of CSA marketing and communication initiatives
- * Social media administration
- * Preservation and archiving of the history of Simmental in Canada

Additional tasks and responsibilities will depend upon CSA needs.

See www.simmental.com for further information and submit your resume to bholmquist@simmental.com no later than February 1, 2025.
